Parkside School

6pm

Tuesday 11th July– Friday 14th July year 6 residential

Northumberland

Parents meeting on Thursday 29th June 3pm.

Transition Activities in school 11th to 13th July

Miss Butler's News

Developing a "Community Code" for Keelham.

Over the last few weeks the School and Culture Council have been working very hard to create a snappy sentence or Community Code that encapsulates the expectations at Keelham. They took our Mission statement as a basis to work from and then working together they came up with a number of ideas and suggestions. We then took these together to our whole school assembly and the children voted on their favourite and the most appropriate one for the school. The children were impressed with the idea of using the same initial letters as for Keelham Primary School and so " **be Kind, Persevere and Succeed**" was taken forward to both the governors and the staff members who all agreed that this was a very suitable code for the school.

In sharing it with you as parents it is hoped that it will become a very familiar phrase within the school community and it will form the basis of any behaviour and learning expectation within school. We ask you to remember it and talk to the children about it whenever possible. Eventually we hope to include it in School badges etc, but you will find it displayed all around school from now on.

School opportunities

Rose Day

Our word of the week this week is **Traditional** as we are hosting our annual **ROSE DAY on Friday 23rd June at 1pm**. This is the chance to come along and celebrate with us all that is summer (including the weather??)and the crowning of our King and Queen Amy Walter and Wade White. It is a Non uniform day for the children and we ask that they wear summer festival clothes to brighten up the event. Mr Morrison returns

Summer reading challenge.

Over the summer holidays the local libraries will once again be running the summer reading challenge. The children will have visitors from the library, now run by volunteers to introduce the project in assembly next week. We have always participated successfully in the past and we hope this year we can once again have a good response.

Keelham Evaluation

Yesterday Keelham was host to 3 local head teachers who are working in partnership with the school this year. I have been part of the peer evaluation of other schools recently and yesterday was our turn. The views were very positive, with everyone very impressed with the learning environment and what work had been done throughout school and how every space is utilised so well. Lessons were observed and children shared their thoughts and their books. The most pleasing comment was that all visitors agreed we are the kind of school they would like to send their own children to. Well done and keep up the good work!

Keelham Primary School-

be Kind, Persevere and Succeed.

End of Year Reports

All children will be receiving their annual school report in the next few weeks . These will give you a final picture of your child's achievements and progress this year.

Please look out for them in book bags towards the end of the month.

Keelham primary School Summer Fayre

Saturday 24th June 2017

10am-1pm

**Come along join in the fun bring all your family
and friends.**
