

Breakfast & After School Care
'The Crew'
Fees & Admission Policy Academic Year 2023/24

Out of School Care

Before school care

This runs from 7.30 – 8.45am in the school. The club will not accept responsibility for any child until they are brought to the door of the club by a parent or guardian. No parent will be allowed in the school building. Parents are expected to sign their child/ren into Keelham Crew. The staff will then complete the register held in school. At 8.45 am the children will be escorted in to the classrooms or outside into their classroom lines where they will be under supervision of the class teachers or teaching assistants.

After school care

This runs from 3.00 – 6.00pm in the school building. At 3.00pm the children will be met by a club member where they will be registered by staff from the club. If a child has not arrived at the club by 3.10pm staff will put into practice the lost child policy. Parents are expected to sign out their child on an evening.

Before & After School Clubs run term time only.

Fees

The cost of the Before School Care is £5.50 per session, per child, including breakfast. After School Care is £12.50 per session, per child, including tea.

Late Charges

All children must be collected from the club by 6.00pm. In all cases of collection after 6pm you will incur a late collection fee of **£2.50 per child for any part of each 15 minutes** after 6pm. If it is deemed that there is persistent lateness issue when collecting school has the right to withdraw a child's crew place.

Collection of the Child

All children must be collected by an authorised adult. This person must be someone who is designated on the child's registration form. No child will be allowed to leave the club without being collected by sight by an authorised adult. If for any reason you/the designated adult are unable to collect your child from the club, you must telephone school on 01274 832491 and notify them of who will be collecting your child. You will be asked to provide a description of the person and a password for them to use. No parent will be allowed in the school building.

Payment of Fees

Fees should be paid flexibly using ParentPay and it is expected that fees are cleared each calendar month. Child care vouchers are accepted as payment. If you require any information about child care vouchers please contact Mrs. Watson.

If anyone has any problems in paying fees please speak to the Headteacher straight away.

Any non/late payments of fees will result in your child's place being withdrawn.

Bookings

Children must be booked in to the club for the half term in advance, this is to enable us to ensure adequate staffing in the club at all times and to ensure capacity is not compromised. Once a booking request has been made the school office will confirm the booking by email as soon as possible. All sessions booked must be paid for regardless of whether your child attends or not. No reductions will be made for a child not attending for any reason including sickness however; any school enforced closures will be credited. If your child will not be attending any booked sessions you must notify the club with at least 24 hours' notice otherwise a charge will be added to your ParentPay account. If the club is not notified they will assume the child has gone missing and therefore will follow the lost child policy/procedure.

In exceptional circumstances extra bookings may be made through the office and once availability has been confirmed you will be informed. In cases of over subscription, the allocation will prioritize 1- the children of key workers as defined by government guidelines 2- vulnerable children (defined by school criteria) and 3- other requests.

Notice Period

If you no longer need your childcare place we will require 2 weeks' notice. Please notify the school in writing of your request.

We reserve the right to withdraw a child's place at the club if fees are not paid promptly, or where there has been a breach of this contract or any other policy/procedure which is in place at the club, such as unacceptable behaviour (see behaviour policy). Any decision to withdraw a child's place/exclude a child will be made by Mr. Hunter and parents will be notified in writing of this decision. All our policies and procedures are available for parents to read.

Snow Policy

In the event of snow, The Crew club will follow the same procedures as the school, in that parents are asked to collect children as soon as possible if travel conditions deteriorate during the day. There will not be a charge for this session or any sessions forced to close.
